

## My family and my home

My name is Beatriz del Río. I am eleven years old. My hair is blond and my eyes are brown. My sister is Cristina. I always play basket and I never play football.

My father is Mario and my mother is Gracia. I often see my grandmother and grandfather and I sometimes see my cousin, too. I like my home. My bedroom is big and sunny. I have got some dresses and tracksuits.

My favourite food is spaghetti and chips. I often phone to my friend Beatriz. The thing that

I like doing is to play with my toys and logging to my computer.

A Kiss

Bye,

Bea.
