

LONDON EYE

This essay is about a very famous tourist place in London. It's a big wheel where people enjoy a lot and have fun. Do you know what I'm talking about? The London Eye! Its name is because it looks like a huge eye where you can see the whole city. It's gorgeous. When I went to London when I was younger, I could get there and it was really amazing! From the top of the London Eye you can have fantastic views of London. You can see the Houses of Parliament, the Big Ben and the river Thames.

The worst thing is that there are a lot of tourists and you have to wait for a long time in a long queue.
